

THE NEW DAY DEVOTIONAL

David Gundrum's weekly devotionals, which he produces for the mission's weekly e-letter, has prompted him in writing "The New Day Devotional: Every day is a gift of God to learn, love and serve!" (published by WestBow Press) a daily guide designed to challenge readers to reflect on God's sovereignty, and on the application of his greatness and truth to all of life.

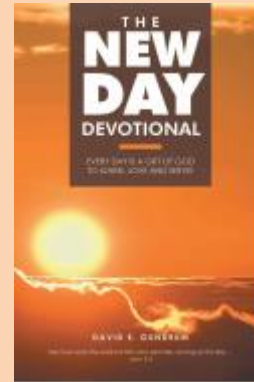

This devotional is different from most devotionals in that each of the devotionals in the book gives readers a glimpse of God's sovereignty and the sufficiency of his grace. God's glory is evident on each page.

"This book will appeal to those who want to envision the greatness of God and man's need for his grace," Gundrum says. "It is relevant to every Christian living in our darkening world where man has no absolutes and God is made out to be irrelevant. For more information visit www.newdaydevotionaldgundrum.com.
